

## **TERMS OF REFERENCE**

Co-operative Committee of BC Water Associations

### **Representation Base:**

The Cooperative Committee of Water Associations (CCWA) is a voluntary partnership of water association representatives within the province of BC.

### **Associations Represented:**

- The Water Supply Association of B.C. - WSABC
- B.C. Water and Waste Association - BCWWA
- Coastal Water Suppliers Association - CWSA
- Small Water Users Association of B.C. -SWUABC
- B.C. Groundwater Association - BCGWA
- B.C. Centre for Water Systems Capacity Development - CCD

### **Mission:**

The CCWA is dedicated to promotion of collaboration and co-operation between the member water associations and their membership.

### **Specific Goals:**

1. Co-ordinate co-association activities.
2. Accommodate affordable joint membership of water associations.
3. Synergize efforts on common water related issues.
4. Facilitate co-operative initiatives with Government.
5. Generate advancement of the water industry.
6. Maintain the diversity and viability of the member associations.
